

BATAK JOCKEYS BROCHURE

www.BatakJockeys.com

BATAK Jockeys is a brand new and exciting **interactive** racing game for **up to 6 people**.

It's ideal for...

- Business Opportunity Seekers
- Corporate Entertainment
- Exhibitions
- Racing Nights (Pub Entertainment at its best!)
- Fun Days
- Christmas Office Parties
- Theme Parks
- Promotional and Leisure Venues
- Fund Raising and Charity Events
- Cruise Ship Entertainment
- Luxury Home Amusement

BATAK Jockeys is not only a great income opportunity for those looking to run a new type of business or leisure event, it's also a superb way of raising in excess of **£750 per night** for fund raising events.

The object of the game is for the **6** main players (called **BATAK Jockeys**) to hit randomly illuminated targets that appear on their controllers. The faster they hit the targets the quicker their virtual horses will gallop along the racetrack.

An **additional 6 people** can participate in the game by standing behind their respective jockey and '*whipping*' them with a harmless balloon.

As you can imagine, this makes for hilarious entertainment as the whippers encourage their jockeys to play faster!

BATAK JOCKEYS BROCHURE

Each **BATAK Jockey** has their own racing colour and controller.

The names and numbers of the horses are...

The system comes with...

- 6 Interactive **BATAK Jockey** Controllers (each with 4 illuminated LED target buttons)
- Master Control Box Hardware and all necessary cables
- Gaming Software CD-ROM (includes 3 games, **Batak Jockeys**, **Batak Racers** and **Stand Up Bingo**)
- 6 coloured jockey caps (embroidered with the words **BATAK JOCKEYS** on the fronts)

What gaming features are there?

The BATAK Jockeys gaming software has many features including...

- Realistic Racing Simulator (including Random 'Draw Bias')
- Photo-Realistic Virtual Race Track
- Atmospheric Music and Sound Effects
- Fully Editable Race Meeting Names and Times
- 'Quick Edit' options (automatically enters all race meeting details for you!)
- 2 to 6 Players option
- Each Way 'Second Place' option (for 5 or 6 runners)
- Photo-Finish feature
- Racing Results Table (showing the finishing positions of all runners)
- Virtual Racing Mode (where no audience participation is required)
- 'Fail Safe Recovery' Features (essential if there's a 'power cut' etc)
